

IS YOUR TEAM THE BEST?

PROVE IT

We know. Your team is the best, but it's not us you have to prove it to, it's your competition. Join our High School Cross Country Team Pre-Season Challenge and see if your team can claim bragging rights and the coveted Wolverine Canyon Traveling Trophy that you can display all year at your High School. Our race is specifically held on Saturday, July 20th to meet the requirements of the Idaho High School Activities Association. Talk to your coach about registering your team today! All runners' bibs are chipped. Your top 5 runners' times will be added together to calculate the fastest team. So, is your team really the best? Join us and have a great time in the process. **All runners will receive a race shirt, swag bag, and medal.*
